### Old Stories with New Characters

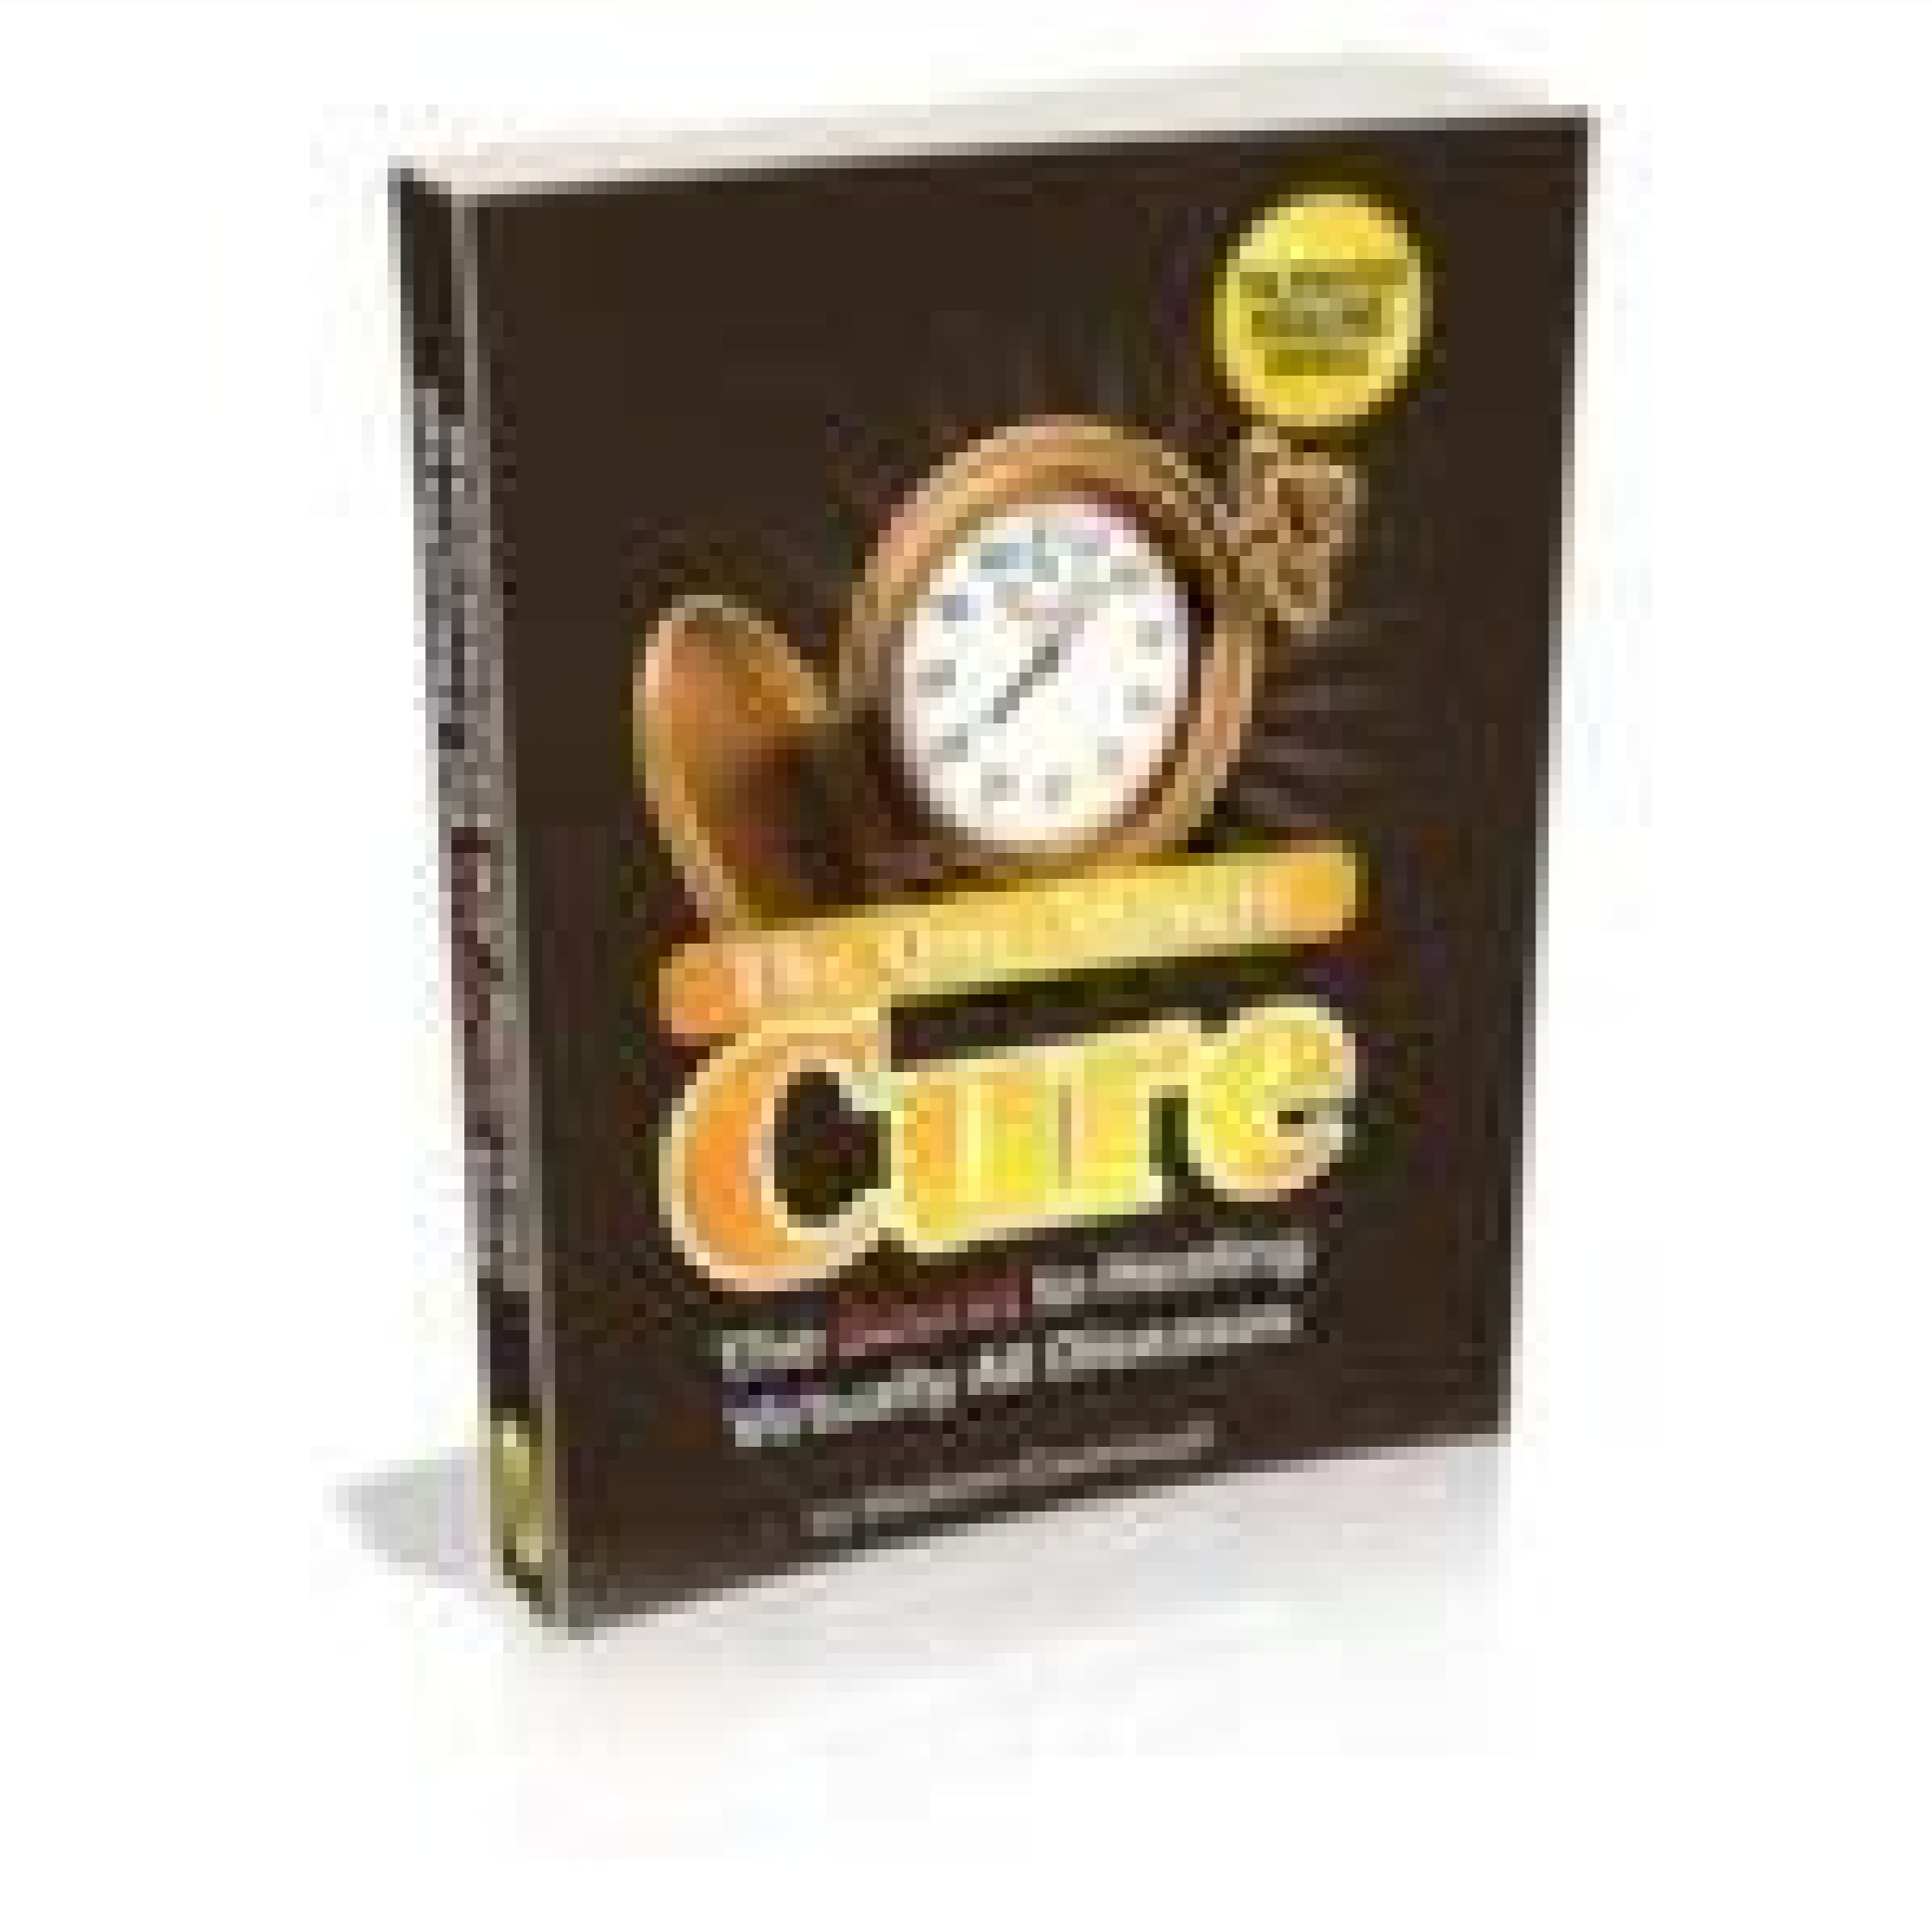

9 The Disney movie Cinderella is a lot like other  
20 versions of this tale. It has a mean stepmom, two ugly  
32 stepsisters, and a prince looking for a bride. The story is a  
40 classic. Cinderella's fairy godmother creates a lovely dress for  
53 Cinderella and helps her go to a ball at the prince's castle.  
63 Cinderella's coach is made from a pumpkin and her slippers  
75 are made from glass. The girl meets the prince at the ball and,  
84 naturally, the prince falls in love with her.

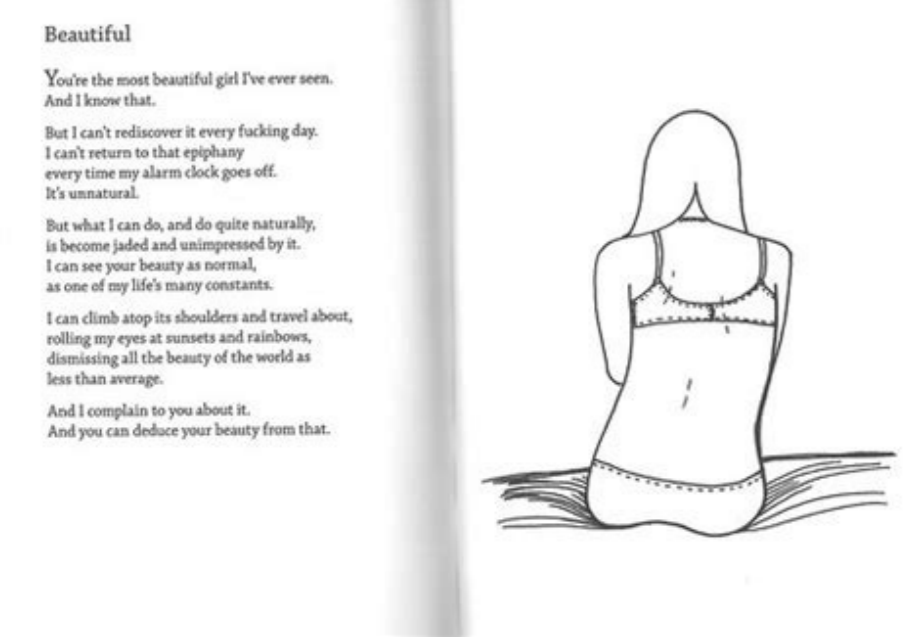

90 Disney's moviemakers added extra characters and  
101 parts to the story. Most of the new characters are animals.  
112 There is a group of cute, funny mice who are Cinderella's  
121 only friends. Before her godmother comes, the mice make  
130 her a ball gown which her stepmother ruins. The  
139 moviemakers added a new villain, a nasty cat, the  
141 stepmother's pet.

150 Although Cinderella was made long ago, in 1950, new  
160 Disney movies are like old ones in some ways. Disney  
169 added many extra characters to Beauty and the Beast.  
179 Some are not even people or animals. Instead, they are  
188 dishes, furniture, and other household objects. One is a  
199 French candleholder. Another is a bossy clock. One is a kind  
211 teapot with a son who is a teacup. Although there are many  
218 differences between Disney's movies and the original  
stories, Disney always tells an entertaining tale. 225
